About Stars and Stripes

Started in 1996 by Dick Gebhard, then a board member of Big Brothers Big Sisters of Orange County, Stars and Stripes has grown from a new idea by a creative visionary, to one of the most significant and innovative charity fundraisers in the country.

The event has donated over \$10 million to Southern California charities over its 13-year history and over the past three years has expanded its list of beneficiaries which this year includes: Orangewood Children's Foundation, Boy Scouts of Los Angeles and Miracles for Kids. Additionally, Stars & Stripes gives back to communities in the Cabo San Lucas area, including contributing a fleet of new ambulances to the local Red Cross, providing medical care to children in need and aiding in the construction of a new state-of-the-art medical facility in San Ignacio. This year, monies raised will also benefit Mexico's Green Scholarship Program.

Affectionately known as "The Feel Good Tournament," Stars and Stripes seeks to be an effective charity fundraiser which creates lasting memories for both the organizations it assists and those participating in the event each year.
